WEATHER BY FAX DIRECTORY

WeatherByFaxDir.doc

Calls to *Weather-by-Fax* numbers (1902-935-xxx), are charged at \$1.38 per minute, incl GST (higher if called from International, satellite or mobile systems). Most products take 1-4 minutes to download.

You are invited to report access difficulties or faults to +61-3-9662-2182, (quoting the service number, the time and nature of the fault), or e-mail to webreg@bom.gov.au.

To collect a product on your fax machine, dial: 1902-935-xxx
(where xxx is the product number, from the list below)

-----Your fax machine must be in polling mode (check your manual for instructions).-----
